Marine Consultants,
Surveys & Naval Register

It is a Panamanian company founded in 1995, to offer services of high professional quality to the maritime community, in an efficient and appropriate way.

Such services are carried out with highly qualified staff of Engineers and Naval Architects, which guarantee the performance of inspections and the issuance of statutory certificates according to the norms of International Maritime Organization (IMO).

Since 2002, we operate under the certification of Quality Systems, now updated to ISO 9001-2015, which results in a continuous improvement of the quality in our services.

MACOSNAR Corporation is recognized by the Panama Maritime Authority (PMA), by means of Resolution No. 106-637-DGM-November 2003 and by the Resolution 603-04-492-ALCN of September 16, 1996, which authorizes to issue technical certifications to vessels on behalf of the Republic of Panama and others maritime administrations.
